|----|--|--------|---|
|    |  |        | workers cut through pipes. The repairs were completed quickly and at no time was the school without water for any more than an hour at a time. The situation was closely monitored by Mrs Briggs and Mr Buttone and a decision would have been made if Health and Safety issues were a risk.  |
| 4. | Online payments                                      | Year 2 | The Office Staff have been looking at online payment systems in place in other schools. It is our hope to have systems in place for the new school year.  |
| 5  | Forest school days                                   | Year 2 | There are no additional funds for Forest School Days at Manor House for Y2. However, it is hoped to adopt some of the activities in a refurbished Wild Life Garden.   |
| 6. | Communication – notes in book bags                   | Year 1 | There was discussion about school communication to parents. Some parents were complaining that they didn't know what was happening in school. Mrs Briggs reminded everyone, that newsletters are emailed; on the web site and reminders of key dates and events sent to parents by text or email. Notices are also at the school gate and outside Reception areas and Mr Buttone also reminds parents on the gate about key events. |
| 7. | INSET days – why are they not all grouped together ? | Year 1 | Parents asked if consideration could be given to grouping Inset days together. Mrs Briggs will consult parents about this through a questionnaire at Parents Evening and share the findings.  |
